Dear Sheila, Michelle, Mark, and fellow County Board & Staff:

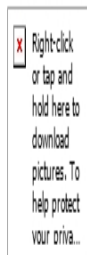

Thank you again for the discussion of having a dedicated facility at Graham Park - we would like to move forward with exploring our options with one of the Graham arenas, if that is preferred over a new construction option with the committee. It sounds like between the email below and previous discussions, it is recommended to explore either Graham 3 or Graham 4.

We would like to request access to either or both options to review the sites. Based on this review, we can work with our advisers to prepare a detailed plan on how to upgrade for curling and use during non-curling times. Now that the fair is complete, are there certain days and times that you would recommend?

Thank you,

Kaisey Ackerman

CCR President
